

Password Creation

You need a mixture of upper and lower case letters, numbers and punctuation.

Don't just capitalise the first letter. Capitalise all nouns, or all adjectives so that upper case letters appear in unusual places.

Use numbers to substitute for numeric words or for words that sound like numbers... just as you would in a text message.

Think of song titles:

10gBhatW.	Ten green Bottles hanging on the wall.
J1C,gitm!	Just one Cornetto, give it to me!
4hajgF&s	For he's a jolly good Fellow and so
3bM,shtr	Three blind Mice, see how they run
2ss,hh,l2l	Too shy shy, hush hush, eye to eye

Or poetry

'tb&tsTdg&g	'Twas brillig and the slithey Tothes did gyre and gimble
d&deppm.	Dulce et decorum est pro patria mori.
pMB,tbDD...	Please Mrs Butler, that boy Derek Drew...
M'samc,h	McCavity's a mystery Cat, he's
