Onsite warranty

Energy efficient desktop computing with monitor mount capability.

The VeryPC Flex FL5125e

A versatile slimline desktop PC delivering fantastic value performance and energy efficient computing with the latest Intel® Core™ i3 processor technologies.

Monitor Mount Capable

Ready to convert to an all-in-one desktop PC. The simple bracket option enables monitor mounting with height adjust, tilt, rotate and swivel functions.

Intel® Core™ i3 processor

The latest 3rd generation Intel® Core™ i3-3225 dual core processor with Intel® Hyper-Threading technology gives you 4 processing threads for true multitasking capabilities.

Responsive with SSD

3.3 GHz clock speed, 3MB CPU cache, 4 processing threads, 4GB of fast 1333 MHz DDR3 RAM and a 120GB SSD provide ample resources for your productivity software requirements, delivering the latest levels of responsiveness and speed.

Integrated graphics

Intel® HD Graphics 4000 built right into the architecture of the CPU provide capabilities at the same level as entry-level discrete graphics cards for mainstream 3D applications.

Recycled packaging

Energy efficient

High performance

High definition graphics ready

3 year warranty as standard
