

The Queen Katherine School, Kendal

Hands-on Technology Showcase, 4-Mar-2013 1pm - 5pm

Innovative solutions from Virtue Technologies to meet your evolving needs

The Virtue Education Showcase will be attending The Queen Katherine School on the 4th March 2013 and focus on emerging technologies within the classroom and back-office - with a specific view to what works and what doesn't. This hands-on event is suitable for both technical and non-technical staff and will have demonstration areas where you can try out the following;

- **Cloud based services such as Microsoft Office 365**
(including hosted Microsoft Exchange, hosted Microsoft Sharepoint, hosted Microsoft Lync)
working in the cloud with the latest mobile devices including the Surface Tablet and various Ultrabooks
- **Mobile Manager** – mobile devices are changing education. See how Mobile Manager allows you to roll out, manage and safely implement mobile devices (e.g. iPad and Android tablets)
- **High density wireless networks** – how can 30+ devices connect to a single wireless Access Point with no loss of performance
- Large format (up to 80") **interactive LED touch screens** plus 3D and interactive ultra-short throw projectors
- Classroom presentation, sharing and collaboration with **DisplayNote**
 - sending and sharing content with multiple users across multiple platforms including Windows, Mac, iPad and Android tablets
 - allow multiple users to work together live on the same content from their own device
 - use an iPad or Android tablet to control your desktop and annotate live over the content
- InVentry **Visitor Management** and Safeguarding Solutions

Each school attending the event will **receive a voucher from Virtue Technologies redeemable up to the value of £50 against any Virtue provided hardware or £100 against Virtue professional services.**

All confirmed attendees will also be included in a grand prize draw across the series of showcases and one lucky winner, selected at random on the 30th April 2013 will **win a Microsoft Surface with RT Tablet complete with touch keyboard cover.**
