

WILLINGDON COMMUNITY SCHOOL

Post of Senior ICT Technician

We require an experienced ICT Technician to provide technical support for all Windows computers and associated ICT equipment, including server operating systems, throughout the school, while ensuring that equipment is maintained to a high standard to support student learning. The willingness and ability to be a pro-active, enthusiastic team player with a desire to develop are essential to this role.

Willingdon Community School is an 11-16, Media and Visual Arts Specialist comprehensive school with Leading Edge and High Performing School status. It is a highly regarded, successful and oversubscribed school (n.o.r. 986) which serves a suburban/rural area on the edge of Eastbourne. The school is committed to providing the opportunity for success, in its broadest sense, to all its students. Examination results at GCSE are high with the school consistently achieving significant Value Added. In 2013 77% of students achieved 5 or more passes at grades A*-C including English and maths, 94% of all students achieved 5 or more passes at A*-C and 98% of all students achieved 5 or more at A* – G. In addition 33% of all results were at A*/A grades with 54% of students achieving 3 or more A*/A grades.
