

Using OSA Cloud

James Preston

02/01/2014

Overview

This guide shows how to connect to OSA Cloud on an Apple iOS device (iPhone/iPod Touch/iPad).

Further assistance

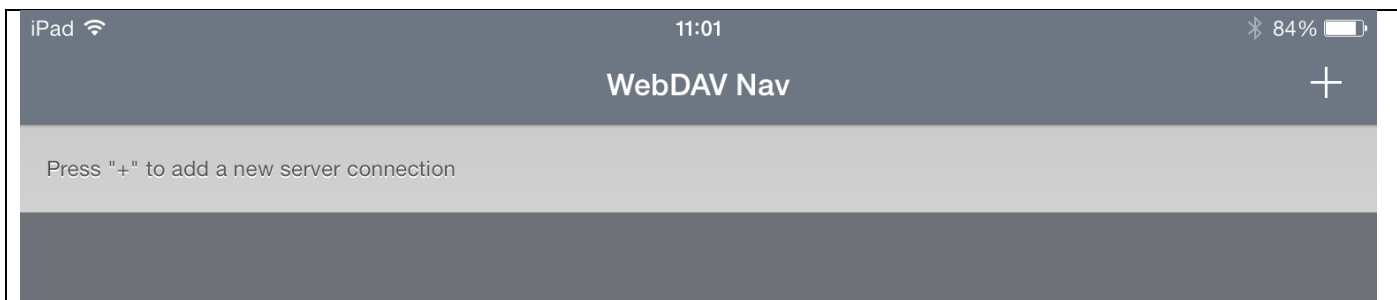

If after following this guide further assistance is required contact ICT Services on ictservicedesk@oxfordspiresacademy.org.

Prerequisites

You must have an active internet connection, an iTunes store account and a valid Oxford Spires Academy user account to be able to complete these steps.

Guide

 App Store		From the home screen select the App Store .
 WebDAV Navigator Schimera Pty Ltd  		Search for and download the free WebDav Navigator app.
 WebDAV Nav		Once the download has completed launch the WebDav Nav app.

Tap the + icon to add a new connection.

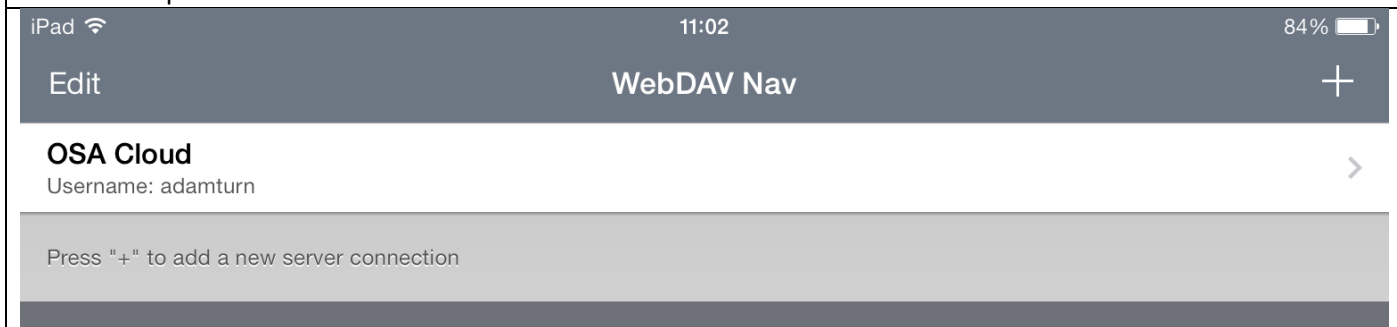

In the Name box enter **OSA Cloud**

In Server URL type <https://cloud.oxfordspiresacademy.org>

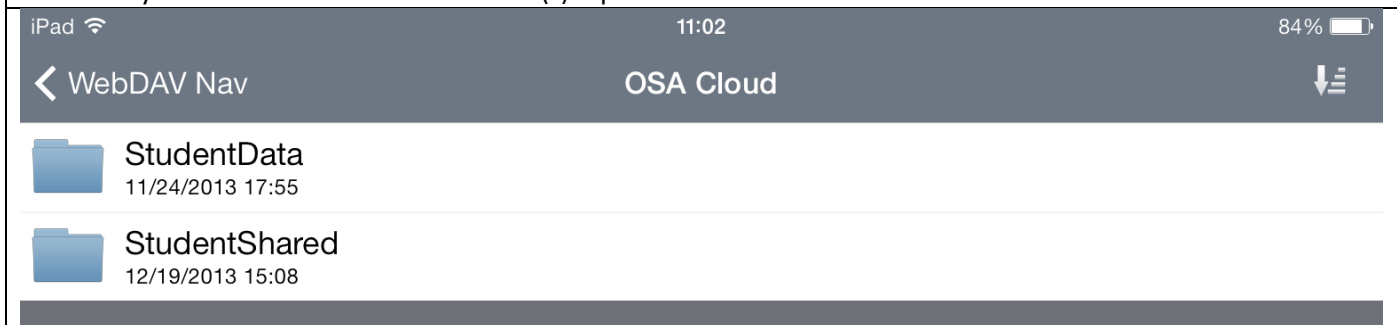

In the Username box type the **same username that you use to login to Academy computers**

In the Password box type the **same password that you use to login to Academy computers**

When done press the **Save** button

To access your documents and shared drive(s) tap OSA Cloud

You can then browse your personal documents (which will be listed under StudentData or StaffData) as well as access any of the shared drives you have permission to.
