

Outstanding Opportunity for an ICT Manager

Virtue Technologies wish to appoint an experienced ICT Manager to work directly with one of our customers, Appleton Academy (appletonacademy.co.uk). All applicants should have a desire to lead the delivery of outstanding ICT Services to support both the education of students and the operation of the Academy.

Virtue Technologies work in partnership with our customers, aiming towards a common goal of improving teaching and learning, ultimately supporting a school towards its ICT vision. We do this by providing a customised and local service that is both flexible and innovative. An ISO9001 accredited company and Department for Education ICT Framework Supplier, Virtue Technologies is a leading provider of IT solutions to local authorities, schools, regional broadband consortia, academy trusts and colleges and businesses.

In partnership with Virtue Technologies, Appleton Academy is an all through learning environment for pupils aged 3 to 19. The Academy recently moved into a modern and spacious new building which provides a wonderful working environment,

The successful applicant will:

- Lead the Academy's ICT Team and inspire them to deliver an outstanding service.
- Be innovative, collaborative and an excellent communicator.
- Be looking to make a valuable contribution to Virtue Technologies and Appleton Academy.
- Have a track record of delivering 1st Class ICT Services, ideally in an education environment.
- Be responsible for the development and implementation of school policies and procedures for the safe, effective and innovative use of ICT within the school environment.
- Manage and maintain the network system and co-ordinate the efficient operation of all computers and associated equipment within school.
- Own and deliver the ICT Improvement Plan.
- Be responsible for the analysis, evaluation and detailed reporting to SLT in relation to all aspects of ICT provision across the school.

We can offer:

- The opportunity to work with a highly engaging and forward thinking Team
- Exposure to new technologies
- An opportunity to build and further develop good practice
- High quality professional development opportunities through established Virtue Technologies CPD
- A salary in the range of £28,000 to £33,000 - DOE

The successful candidate will be employed by Virtue Technologies and based at the Academy's main site in Wyke, just outside Bradford.

Virtue Technologies and its customers are committed to safeguarding and promoting the welfare of children. All recruitment is subject to an enhanced DBS check

Applications should be made in writing, enclosing a current CV, to Will Stead, Head of Operations, at the address below or by email to applications@virtuetechnologies.co.uk. The closing date for applications is 5pm, September 30th 2014.
