HP Trade-In

Customers can get up to £620/€750 off purchasing a new HP printer, when they trade-in their old printer, regardless of the brand.

Trade-In is a simple, cost-effective service which allows your customers to get money off their new HP LaserJet, MFPs, Officejet, and Scanjets and qualify for a generous rebate for their returned products regardless of the brand. HP is the only manufacturer who offer this European wide program, which gives old printers some value.

See overleaf for a full list of the qualifying products.

Offer available until 31st October

Buy and Try

HP Printer Buy and Try Programme

The HP Printer Buy and Try Promotion offers customers a way to buy a HP printer and test it for 30 calendar days. This way customers can use the printer and ensure it meets and exceeds their expectations. The best part is, that they're under no obligations to purchase the printer. If for any reason they decide not to keep the printer, they can return the product to HP and receive the purchase price in full.

See overleaf for a full list of the qualifying products.
Offer available until 31st October.
