CLEVERTOUCH

The market leading interactive touchscreen

With its integrated Android operating system, **Clevertouch Plus** is as easy to use as a tablet. Clevertouch Plus is the next generation of Clevertouch. Available in sizes 42", 55", 65", 70" and 84".

Clevertouch Plus 84"

The 84" Clevertouch Plus is the first in the world to offer an integrated Android operating system and true 4K solution. It features 10 touch points, 4K resolution and an optional Intel i7 4K PC with 1TB HDD, 8GB RAM and Windows 8 as standard.

CLEVERSTORE

With the integrated apps and **Cleverstore** – the new app store for Clevertouch – you can just turn on and teach.

We have spoken to educators and looked over best app lists to source the most useful education apps on the market. The apps that we have chosen are age and curriculum specific, with fun games and books for children, and interactive activities for secondary pupils. The apps are ad-free, so teachers don't need to worry about inappropriate or distracting adverts popping up and interrupting the lesson.

- Maths games
- Children's interactive picture books
- Spelling and word games
- Periodic table
- Scientific calculator
- Spelling and grammar games
- Interactive text books
- Story and song creations
- Logic games and puzzles
- Business tools and apps

The **Clevertouch Education** Software package

CLEVERLYNX

CleverLynx is an annotation software where you can import any type of document and make notes over it. The annotation toolkit includes pen, paintbrush, highlighter and fill area. Screen capture allows you to save these annotations. An image bank and wide variety of maps are available.

Every Clevertouch includes a five user perpetual **CleverLynx** licence.

CLEVERNOTE

CleverNote annotation software is so easy to use, it requires no training—even young children can walk up to the screen and start annotating with our simple, intuitive interface. Change the background colour, pen colour and line size so that you can easily brainstorm, paint pictures or annotate.

Every Clevertouch Plus includes our **CleverNote app**.

Snowflake

Snowflake MultiTeach consists of apps such as Match it, Ring Drop, Clock and other apps that help children develop good hand eye coordination skills. Learn about every day subjects such as math, geography, grammar, spelling and biology.

New features now allow the user to create their own activities.

Every **Clevertouch Plus** and **S-Series** includes Snowflake MultiTeach.

 DisplayNote

DisplayNote lets presenters and teachers control their Clevertouch with their tablet device or phone and share content from that Clevertouch with multiple participants across multiple devices via the cloud or over a wireless network. Participants can capture the presenter’s content on their device, annotate, add their own notes, collaborate with colleagues and save everything for review.

Every Clevertouch Plus and S-Series includes **10 perpetual DisplayNote connections** and 1 year free cloud subscription. Multi connection licences are also available.
