Autism Concern

Autism Concern, an independent Northamptonshire charity, will be holding a charity tandem skydive on Saturday 16th May 2015. Could this be you?

Help us to make a difference by raising funds for a worthwhile charity Experience the ultimate adrenaline rush. Jump out of an airplane from about 12,000 feet, freefall at speeds of up to 190 kph for anything from 25 – 45 seconds. Glide gently back down to earth.....Why not?
