

Facility and Progresso User Group Meeting

Facility and Progresso User Group Meeting

Tuesday 23 June 2015
09:30am – 16:00pm

**The Pavilion
Moor Lane
Birmingham
B6 7AA**

Working in partnership with Advanced Learning, Link2ICT would like to invite schools to the first of our Facility and Progresso User Group meetings.

This event will kick start a series of user meetings for subscribers of the Facility and Progresso products and on 23rd June, it would be great for schools to join us to learn more about the roadmap and developments taking place at Advanced Learning.

The day will be split into three parts so that you can pick and choose the sessions relevant to you and your school. See the programme below:

9:30	Registration and Refreshments
10:00	Facility User Group: Facility Update, Roadmap, Link2ICT update, new features and your feedback
12:15	Lunch
13:00	Progresso Demonstration (open to all)
14:00	Progresso User Group: Progresso Update, Roadmap, Walkthrough of the latest release, Link2ICT Update, Top tips and your feedback
16:00	Close

To secure your place, please book through one of the following methods:
