This year's club championships will be held at Alfreton Leisure Centre on Saturday 10th October and Saturday 14th November.

All swimmers are encouraged to enter, and this year the championships will be licenced, meaning times achieved can be used to enter open meets.

The entry form, with further information, can be downloaded [here](#). The closing date is Sunday 27th September.

Offers of help would be much appreciated, please contact Kath Dawson (events@ripleyrascals.org.uk) to volunteer

RASCALS was formed to encourage people to learn to swim and life save, with the option of progressing to competitions as their skills develop.

We take children from the age of 5, and teach them the four basic swimming strokes in the small pool. They progress to swimming in the main pool, learning skills such as diving and tumble turns, and develop their stamina by swimming longer distances.

Children can compete in galas from the age of 9, and the Club enter a variety of competitions against other clubs in Derbyshire and Nottinghamshire.
