

Description of Solution

Solution Overview

Option 1

The School will relinquish their existing Curriculum IP address range of 172.16.140.0 /23 and will be allocated a new IP address range of 172.19.120.0 /22.

The ntl:Telewest router will have it's Curriculum interface IP address changed to 172.19.123.254 /22.

The ntl:Telewest router will have it's Admin interface IP address changed to 172.27.123.254 /22.

This effectively retains the existing topology.

Proposed Topology

Below is a diagram of the proposed topology.
