School Partnership Trust Academies Vision and Values

Our vision is based on the values and the principles of the School Partnership Trust Academies, the academy sponsor. Our academies pride themselves on being:

- Institutions with high expectations both for the individual and where there will be a collective responsibility, for raising community aspirations.
- Caring schools, based upon social responsibility, honesty, equality and consideration for others.
- Highly successful schools where self-help, self-determination and self-improvement are encouraged.
- Innovative and energising learning centres which develop lively and enquiring minds for both students and staff.
- Schools which promote inclusion rather than exclusion and by working in partnership with local agencies and offering a personalised curriculum for all, will strive to adopt a zero exclusion policy.
- Schools where courtesy, co-operation, enterprise and initiatives are paramount and where tolerance rather than intolerance is practised.
- Schools which are the centre of the community as a resource, in its services to others and in promoting community and social cohesion.
- Centres of educational excellence, where no individual is left behind and where all students of any age or background are provided with the support to become responsible and successful citizens.
