

# **EMPLOYMENT OPPORTUNITY**

## **ICT TECHNICIAN / JUNIOR ICT TECHNICIAN @ ST CATHERINE'S SCHOOL, BRAMLEY**

- Full time position beneficial to anyone considering a career in ICT
- On the job training in computer networks, projectors, printers, software, PCs, Macs and iPads
- Microsoft training and accreditation with a proactive CPD programme
- An opportunity to be at the centre of an innovative and evolving ICT infrastructure
- Working with the latest Apple hardware and software
- Developing comprehensive experience of common ICT systems
- Working as part of a close team in a social and professional environment
- Opportunities for career development
- Modern leisure facilities and accommodation options available

It is an exciting time to be at the forefront of ICT in education, and St. Catherine's School is committed to keeping abreast of all new developments and placing ICT at the centre of teaching and learning activities.

The School ICT infrastructure operates a network of Windows, Mac and iPad clients, with a broad range of technical features and facilities. We seek to appoint a Junior ICT Technician with a keen interest in computers to join the existing team in the day-to-day running of the ICT facilities throughout the School.
