GOVERNORS / NTAs / SUPPORT STAFF

Invite you to attend our forthcoming

ICT Exhibition

**FREE
ADMISSION**

to be held on:

Thursday 26th March 2009
10.00am – 4.00pm
Woodlands Conference Centre
Southport Road, Chorley

Updating your ICT resources? Do you need help and advice?

Our annual ICT exhibition is a valuable opportunity for you to meet with software & hardware suppliers to discuss and help make important purchasing decisions for improving your school's ICT provision. Many companies will have recently launched new products for 2009 and the event will enable visitors to view and evaluate products before they buy!

There will be a broad range of companies exhibiting and our staff will also be available to give advice. Don't miss this great opportunity to help develop ICT in your school!
