

Job Title: Assistant Network Manager
Start Date for Post: ASAP
Contract Type: Full-Time /Permanent
Pay Scale: BG9
Closing date for applications: 22nd February 2019 noon

Redland Green School is a happy, caring and stimulating learning community in which everyone's achievements are valued unconditionally and excellence is celebrated. We are a proud member of the Gatehouse Green Learning Trust with Ashton Park School and 3 partner primary schools. Your contract of employment is directly with Gatehouse Green Learning Trust ("The Trust") and your main place of work will be Redland Green School but you may be required to work at any school within the Trust.

We require an Assistant Network Manager to work as part of our ICT Team offering first line support to all schools within The Trust. You will manage and promote in conjunction with the ICT Manager and Leadership Team the use of technology across The Trust including the management, installation, maintenance, availability and integrity of the school's IT infrastructure. You will assist the IT team in designing and implementing new systems that enhance learning, develop administration and provide 21st century communication and management across the schools. You will develop effective relationships with staff and pupils across whilst assessing and responding to their needs

We are looking for candidates with previous network and IT experience. Previous experience of working within an educational setting would be advantageous. The ability to communicate with a wide variety of people is essential.

We are committed to safeguarding the welfare of children and expect all staff to share this commitment. An enhanced DBS check is required for the successful applicant.
