GREENSHAW HIGH SCHOOL

GREENSHAW
HIGH SCHOOL

A Warm Welcome from the Headteacher

Dear prospective colleague,

Thank you for your interest in joining Greenshaw High School. This is a truly unique opportunity to play a key role in shaping the provision of secondary education and lifelong learning opportunities within Greenshaw.

Our school is a highly over-subscribed 11 to 19 mixed comprehensive secondary school and sixth form situated in Sutton, South West London. I take immense pride in the work of all of our staff and students, and having been at the school since 2001, continue to be amazed by their achievements.

At Greenshaw, we believe that we have a key role to play in enabling the students entering our school to be happy and successful members of society by the time they leave. We have two equal priorities: great student wellbeing and fantastic exam results. In 2018, Greenshaw High School celebrated the best ever GCSE results achieved by students of the school and in our sixth form in 2018, students achieved results in the top 25% of the country. However, I do not want these results to come at the cost of young people's wellbeing. Staff are conscious of the pressures on young people in the modern world and aware of the importance of promoting student welfare. We maintain a department of non-teaching staff to support students with mental and wellbeing.

Our staff play an integral part of in the achievements of the school and its students. Should you join us, you will work alongside an exceptionally committed and professional staff, guided by experienced middle leaders who will equip you with the support, training and resources you require to become the very best in your chosen area.

As an employer, we offer a range of staff benefits, including excellent CPD opportunities and career progression, automatic entry in to a recognised pension scheme and employer contributions, a cycle to work scheme, gym membership, eye care vouchers and other corporate discounts. Since October 2018, both staff and students also benefit from a two week October half term.

If you feel that you have the skills, experience and drive to help support the school's vision and its students then please do read on. I look forward to welcoming you in person at Greenshaw High School soon.

Yours sincerely,

Nick House, Headteacher

GREENSHAW
HIGH SCHOOL

Introduction to Greenshaw High School

Greenshaw High School is a highly over-subscribed 11 to 19 mixed comprehensive secondary school and sixth form situated in Sutton, South West London. Greenshaw High School converted to Academy status in June 2011 and is part of the Greenshaw Learning Trust. Throughout its history, Greenshaw has been popular with parents of children of all abilities and there continues to be a large demand for places. There are currently 1700 students on roll, with over 200 staff providing teaching, pastoral care and other support across the school.

We are a successful and popular school with an established record of nurturing high levels of attainment in its students. We provide a first rate teaching environment that challenges all students to achieve their very best and an individual pastoral support programme to guide them in this endeavour.

At the heart of our enterprise are our core values, with their emphasis on equality of opportunity, respect for others and the value of learning. Upon these foundations we have built a thriving educational establishment, where students have flourished and continued to study a wide range of subjects at some of our country's most prestigious universities.

We welcome the fact that, year on year, a growing number of students aspire to join our school. We are matching this burgeoning demand with an expansion of the facilities that are available and the courses that are on offer. We are firmly of the belief that the quality of teaching and learning and the level of pastoral care we provide are of the highest quality.

Specialist facilities allow us to make use of the latest technologies and resources. We have an all-weather sports pitch, music centre, studios for art, drama and dance, a gymnasium, a sports hall equipped with an eight lane climbing wall, a multi-gym, a number of IT suites, specialist science laboratories and a reading lounge. As our student numbers have increased, a new purpose-built extension building opened in September 2016. Staff facilities include a newly refurbished staff room, a number of new staff work rooms with IT facilities, staff shower rooms, a free-to-use gym (outside of school hours), and secure cycle storage.

In choosing Greenshaw as the place to start or continue your career, you will be on the right path to a successful future.

"The best community of teachers that I could ever have hoped for. The patience, care, loyalty and commitment of a group of people who have walked alongside my son through his tribulations, challenges and successes in his time at the school" – a parent.

Our vision

We are absolutely committed to achieving excellence. In our school this should always encompass the twin aims of high wellbeing for young people and adults, alongside academic excellence. Maintaining both of these can present challenges, but it is our clear ambition.

Our learning

As a comprehensive school, we hold dear the idea of curriculum breadth. We want all of our students to experience a wide range of subjects from maths, English, sciences, humanities and languages, but retain a place for the performing and creative arts. We will offer broad pathways in our comprehensive schools that suit students' prior attainment, and will always find the right course for our learners, rather than suiting any particular government performance measure.

We also accept our social responsibility to educate our students about important areas that do not fall neatly into subject categories, but are critical to young people being empowered citizens and intellectually capable. This includes the books we read in tutor time, and the homework scheme we call *The Big Ideas that Shaped the World*.

Our ethos

We believe that consistent hard work will always beat any notion of 'talent', without hard work. We aim to train all of our learners into the regular completion of homework, and constant hard work through the school day – and beyond – to build the habits necessary for success.

Our social responsibility

A marker of our educational excellence will be our students' social impact. This means within the immediate community around our school, across Sutton and more widely, even on the international stage. This could include volunteering, raising funds or making other forms of contribution. We want excellent academic results that allow students to enter the next phase of their education, but also productive citizens as they move in to adulthood.

Examination results

Greenshaw High School is justly proud of its success over many years in achieving the very best for its students. The school enters students across the full attainment range for examinations. It is therefore clear that the results represent significant achievements.

Our Progress 8 score is +0.38, which is above average. This puts us in the top 17% of schools in England. Our Attainment 8 measure is 54.7% points, which is well about the average score of 44.3 points.

A level results

At A level, results in 2018 demonstrated a competitive and strong performance from our sixth form students, with 21% of grades at A*/A, 49% of the grades A*/B and 75% A*/C. The high number of A* grades came from a range of subject areas including in the arts and design courses

GCSE results

In 2018, Greenshaw High School celebrated the best ever GCSE results achieved by students of the school. Despite the huge changes to GCSE specifications, designed to make each more difficult, and the significant reduction in coursework, Greenshaw's students put in a record breaking stint of revision, practice and exam performance. If the previous indicator of success for schools was applied to these results, then 77% of students would have achieved five GCSE passes, including English and maths.

The core subjects of English and maths saw excellent results. One in three students achieved at least a grade 7 (an A grade in the previous system) in maths, and an even higher proportion in English. 57% of students achieved a grade 5 or above in both English and Maths GCSEs. A range of other subjects including the sciences, geography and history also performed superbly. For example, nearly half of all students in biology, chemistry and physics achieved a 7 or higher.

"We are so thrilled and proud of what our daughter has achieved – she has had the support of a great school who really did have her best interests at heart. Many thanks to you all." – a parent

GREENSHAW
HIGH SCHOOL

Our commitment to you

At Greenshaw High School, we recognise that our staff are our most important asset and that the quality and commitment of our staff is critical to the school's success.

Conditions of service for all staff are in accordance with the Conditions of Service for School Teachers in England and Wales for teaching staff and National Joint Council for Local Government Services for support staff.

The Greenshaw Learning Trust has been recognised under the Valued Worker Scheme as meeting all six of the Valued Worker Scheme principles. The Valued Worker Scheme is a joint initiative promoted by NASUWT, GMB, Unison and Unite, and promotes the adoption of policies and practices that demonstrate an employer's commitment to treating all employees fairly, equitably and with dignity through the adoption of six principles:

1. Enabling all employees to have a safe, secure and enjoyable working environment;
2. Ensuring the wellbeing and dignity at work of all employees;
3. Providing CPD for all employees;
4. Providing good pay and conditions which include a commitment to the living wage (as defined by the Living Wage Foundation);
5. Having formal agreed mechanisms for consultation and negotiation, working in partnership with employees and trade unions;
6. Ensuring policy development and working practices are informed by the use of information and evidence.

As a school, we are committed to promoting the health and wellbeing of all of our staff. All staff are provided with access to our Employee Assistance Programme (EAP). This is a free, confidential service, which provides useful information, practical support and counselling on a wide range of work, family and personal issues. The EAP is available to all members of staff at the school and can be contacted 24 hours a day, 7 days a week, 365 days a year.

In addition to the Employee Assistance Programme, our staff benefits include excellent CPD opportunities and career progression, automatic entry in to a recognised pension scheme and employer contributions, a cycle to work scheme, gym membership scheme, eye care vouchers and other corporate discounts.
