

ICT Helpdesk Technician

Required ASAP

Knightsbridge School currently educates 420 boys and girls from ages 3 – 16. The school, which is set in the heart of London, combines a warm and nurturing environment with excellent resources and a commitment to teamwork and the professional development of staff. For more information about the school, please look at our website www.knightsbridgeschool.com

This role is ideal for an IT professional with at least 3 year's IT support experience who is looking to further their career in IT. As the first point of contact for all IT support issues, you will gain experience of a wide range of desktop, mobile and classroom audio-visual technologies, troubleshooting issues with hardware and software and running the IT support helpdesk. Working alongside the Network Manager you will have the opportunity to be involved in network and system maintenance, upgrades and new IT projects and initiatives.

You will have excellent customer service skills and be able to communicate confidently and clearly to colleagues, parents and pupils. In addition to being a good problem-solver, you will need to be proactive, well organised and a quick learner

For an application pack and further details please see the school website site or contact Rosie Binns at HR@knightsbridgeschool.com or 020 7590 9000.

Knightsbridge School is committed to safeguarding children and promoting the welfare of children and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks and other relevant employment checks.

Closing date for Applications: Friday 26th February 2021 – But please don't wait until the deadline!
