

Chapel-en-le-Frith
High School

IT Support Engineer

In this key position, you will work with the Network Manager to ensure an efficient and effective service and support is provided to students and staff using the school's extensive IT systems.

We are looking to appoint a highly technical, efficient, enthusiastic and well organized person with a passion for problem solving. This is a varied role with no two days being the same and provides many exciting opportunities for the successful candidate.

The ideal candidate will need to hold a qualification in IT Computer Science or recent industry certifications such as MCSE, CCNA and CompTIA+.

You will also have experience of management of Microsoft networks and Active Directory as well as experience of management of switches, wireless APs, firewalls and Microsoft 365 platform.

We are lucky to work in modern well-equipped accommodation, with superb facilities, situated on a beautiful site on the edge of the Peak District National Park. We are within easy commuting distance of Manchester, Sheffield, Chesterfield and East Cheshire.

We are currently developing a scheme which will enable the school to support successful candidate in continuing professional development and working towards an IT certification.

Full details of the post can be found on the school website. Alternatively, please contact Diane Hibbert, Personnel Administrator, for an application pack.

Hours: 37 hours per week, 52 weeks per year

Salary: £25,753 - £27,629

Closing date: Thursday 20th May 12:00

Job start: as soon as possible.

The school is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. This post is subject to an enhanced DBS clearance.
