IT Network Manager

Contract details:

Full time, permanent

Expected start date: As soon as possible

Salary: Scale 9-10, points 29 – 35 (£32,910- £38,890) dependant on experience

We are looking for an enthusiastic and outstanding IT Network Manager at Bishop Stopford School.

You will be looking for a role offering a high degree of autonomy in a hands-on strategic role. This is an exciting time to join our IT team to support and provide an outstanding IT service to our academy community.

You will have a professional IT qualification ideally to degree level or equivalent. You will bring a full complement of knowledge of IT and be able to demonstrate experience in the successful delivery of an IT network.

You will have strong technical network experience and be conversant with the hardware and software likely to be used in an academy environment.

This is a full-time all year-round position and there is an expectation of you being required to work out of hours on occasion.

If you would like an informal discussion or arrange a visit, please contact Clare Curchin, our Business Manager on 01536 503503 ext 213.

For further information and an application form, please visit the school website; 'Vacancies' page.
