Executive Summary

Founded in 627 AD, St Peter's is the fourth oldest school in the world with a strong tradition of providing outstanding educational opportunities for its pupils.

Proudly located on a 47-acre riverside campus just 10 minutes' walk from the centre of York, St Peter's is an over-subscribed co-educational, day and boarding school which achieves outstanding examination results alongside an extensive co-curricular programme.

The School was named TES Independent School of the Year for 2021, as well as Pre-Prep School of the Year for a second time having previously won the award in 2018.

About St

Peter's School

St Peter's was founded by St Paulinus of York on the same site as York Minster in 627 AD. In the sixteenth century, the School was given a Royal Charter by Philip and Mary and, in 1575, the School's most infamous pupil, Guy Fawkes, attended St Peter's.

The School's connection with Guy Fawkes continues, with its campus in the Clifton area of York acquired in 1844 situated on land once owned by the Fawkes family. The School continued to evolve in the twentieth century, starting with the acquisition in 1901 of St Olave's Prep School. In 1976 the first girls were admitted to the School in the Sixth Form, and in 1987 St Peter's became co-educational at all levels. In 1994 the School purchased Clifton School and Nursery, enabling St Peter's to provide a seamless, continuous education from ages 2 to 18.

Our historic links with the Minster continue. In 2020 we became the choir school for York Minster, educating the boys and girls in the choir and supporting their busy schedule of rehearsals and services, alongside everyday school life. Members of the Chapter are represented on the Governing Body and the School is fortunate to use the Minster for annual events including the carol service, major concerts and prize-giving.

St Peter's sits at the heart of the community in York and Yorkshire with extensive links and connections. We are a key member of the York Independent State Schools Partnership, nationally regarded as a leader in the field, and host a variety of other events in partnership with the University of York and the York Literature Festival, alongside our own public lecture series. Plans for the future include increasing the number of pupils receiving assistance with fees and working more closely with the City of York Council and local schools.

Today, the three sections of St Peter's (St Peter's 2-8, St Peter's 8-13 and St Peter's 13-18) work together to deliver a dynamic, all-round education that develops the abilities and enthusiasm of each of the 1,200 pupils on roll.

Aims and Ethos

Our aim is to prepare pupils to be successful and fulfilled in their adult lives, to be leaders with humility and to make a positive impact on their world. We define this as being able to make the most of their academic and personal potential, to have positive relationships in all aspects of their lives and to make an impact in their immediate communities and the wider world for the common good.

The Four Pillars

St Peter's aims are achieved through the four pillars of qualifications, skills, interests and values.

Qualifications include excellent results in academic examinations and in wider areas such as music and drama examinations and the Duke of Edinburgh Award.

Skills developed through academic subjects are complemented by a broader range of skills required for a truly successful life. We are committed to offering our pupils a wide co-curricular programme to develop those skills not always attained in the classroom.

These include those identified in the World Economic Forum's Future of Jobs Report (2020):

- Emotional intelligence
- Leadership
- Social influence
- Creativity
- Originality
- Initiative
- Critical thinking
- Persuasion and negotiation
- Resilience
- Flexibility
- Complex problem-solving

Interests developed through the academic curriculum and the co-curricular are crucial in sustaining our pupils through their adult lives while fostering the acquisition of wider personal skills. As importantly, it makes them interesting people who add value to others.

Values are the hallmark and bedrock of a successful life, giving sustenance in times of prosperity and adversity. The values developed at St Peter's enable our pupils to make complex, moral decisions and give them the courage to carry them out.

They are:

- Friendship
- Trust
- Wisdom
- Compassion
- Endurance
- Hope
- Humility

Our School Structure

St Peter's 2-8

St Peter's 2-8, for day pupils, has its own building with use of extensive play areas, sports hall and swimming pool. Under the leadership of the Head 2 - 8, teachers use the attractive environment to maximum advantage, teaching a broad and balanced curriculum which gives a wide variety of experiences, and emphasises the importance of basic skills. The thematic curriculum is highly innovative and goes far beyond the National Curriculum, both within the school day and during the wide range of co-curricular activities and visits outside of school.

St Peter's 8-13

Under the leadership of the Head 8-13, the teaching staff provide expertise in the 8 to 13 age range, delivering dynamic and specialised teaching to challenge and support every pupil.

The curriculum is broad and challenging with expert teaching from the earliest age. There are many opportunities for recreational and competitive sports teams enjoying success both regionally and nationally. Music plays a central role in school life, involving the full range of orchestral instruments. There are numerous co-curricular activities to choose from on a weekly basis.

The Choristers of York Minster are educated at St Peter's 8-13 and combine everyday school life with a busy schedule of rehearsals and regular services at the Minster.

Boarding is an integral element of the School and junior boarders are accommodated in Wentworth, a co-educational boarding house on the main school campus.

Our School Structure

St Peter's 13-18

Through outstanding teaching, first rate facilities, high expectations and sheer determination on the part of its pupils, St Peter's 13 - 18 achieves considerable success in the curricular and co-curricular spheres.

The four vibrant and successful boarding houses for girls and boys lend vitality to the pastoral life of the School. Inspiration from living in close proximity to a cultured and historic city adds further richness to the pupils' lives. The most recent inspection of Boarding in 2017 found the School's provision to be outstanding.

The Chapel stands at the centre of the campus and regular services give pupils and staff the opportunity to reflect together on the spiritual values of the community and on the meaning and significance of what is happening locally, nationally and globally.

Music, art and drama are key to the cultural and academic breadth of the School. The sports programme is extensive, providing a wide range of choice for all pupils. Results are excellent, and St Peter's pupils' co-curricular achievements are considerable in an environment underpinned by rigour and challenge. The excellence of the teaching and facilities allows pupils to thrive.
