SHREWSBURY SCHOOL

Headmaster's Welcome

Having moved to Shropshire with my wife and young family relatively recently, I can speak with first-hand experience of the warmth of welcome offered by the School community and indeed within the town of Shrewsbury. It really is a friendly, gentle yet invigorating place to live and work.

The School's 110 acres have the feel of a village gathered around a green. Stunning architecture complements the natural beauty of ancient trees and open spaces that are meticulously maintained. We wholeheartedly believe that children and staff alike respond to the inspiration of their surroundings. There can surely be fewer more uplifting places in which to live, work and learn. Staff morale is high and there is a shared sense of purpose which is energising. The pupils are a diverse crowd who are united by a willingness to participate and enjoy all that the school has to offer.

We have an excellent staff development programme ensuring that colleagues are stimulated to keep growing as professionals.

Above all, it is a community where the individual is celebrated and encouraged to become the fullest and best version of her or himself: this goes as much for the staff as it does the children in our care.

Thank you for your interest in Shrewsbury School. I hope that this document will encourage you to go ahead with an application for this very important role.

Teaching at Shrewsbury

Shrewsbury's academic provision endeavours to be exciting, challenging, responsive and versatile. We want pupils to be engaged in a learning process that combines inspirational experience with the sort of rigour and precision that will prepare children not only to produce the sort of spectacular public exam results that they so routinely do, but also to be empathetic, innovative and leading contributors to the world beyond the school gates.

We believe that education is the process by which children are brought into contact with the world and we take this responsibility very seriously, giving careful thought to the values and behaviours we model and communicate. Above all else, we aim to engender excitement and enjoyment and to cultivate a love of

learning for its own sake both in the class-room and well beyond it!

Support staff at Shrewsbury

Support staff provide management and operational support, in various careers, which enables teachers to focus on the teaching and learning of our pupils. We believe that having motivated and enthusiastic staff who want to support teaching and learning is critical to our academic provision.

We will always strive to achieve the highest possible standards in the breadth and quality of our curriculum, the provision of our facilities and resources and achievements, whether academic, sporting, musical, theatrical or artistic, of our pupils and our staff.

Shrewsbury delights in the uniqueness of its education; a blend of values, traditions and inspiring people. Our staff are our greatest asset with both teaching and support staff inspiring our pupils through their dedicated professional support.

Employment

We employ approximately 520 staff, across a wide range of occupational areas. We accept Newly Qualified Teachers, as well as recent graduates and work placements or work experience, apprentices and volunteers. All appointments are based on our safer recruitment interview process.

All new members of staff are given a comprehensive programme of induction to help familiarise them with Shrewsbury life. Their Line Managers and buddy mentors are there to assist the transition to Salopian life and support both professionally and personally.

Continuous Professional Development (CPD) is a key part of the support staff's structure throughout the year; Shrewsbury School is committed to the continuous professional development of its staff.

Individual training needs are identified both informally, through probationary reviews in the first 12 months of employment, and then through a formal Annual Appraisal Review Programme.

International Links

The links between Shrewsbury UK and its first licensed international sister school in Bangkok, the Riverside Campus, which opened in 2003, have grown stronger and stronger. 2016/17 saw further development of this link, with the signing of the Licence Agreement for a second school in Bangkok, Shrewsbury International School City Campus, to complement the success of the Riverside Campus. Now there are three Shrewsbury International Schools, the two in Bangkok and another in Hong Kong, which was opened in 2019, with further schools scheduled to open in China.

The international and mother school share a commitment to encouraging intellectual curiosity and respecting diversity, and have formed a close and effective partnership over the years. They exchange best practice and perspectives from their own operating contexts via regular staff visits and via Governors who sit on the Boards of both schools. Over the years Shrewsbury UK graduates have visited Bangkok to enjoy gap years there.

SHREWSBURY SCHOOL

LOCATION

Shrewsbury School lies on the outskirts of the town of Shrewsbury, approximately 50 miles west of Birmingham, and 75 miles south of Manchester. Shrewsbury is served by trains from London Euston (by changing at Birmingham New Street or Wolverhampton). There are also regular services from Birmingham, Manchester, Liverpool, Oxford, Cardiff and Bristol. The international airports of Birmingham, Manchester, Liverpool and East Midlands are all between an hour and an hour-and-a-half away (by car or rail).

Shrewsbury is the county town of Shropshire and just nine miles from the Welsh border, and is almost completely encircled by the River Severn. Perched on its vantage point directly above the river bank, the School is a ten-minute walk from the town centre and enjoys a fine view of it across an extensive park ('The Quarry'), which plays host each August to the Shrewsbury Flower Show, the longest-running flower show in the world.

Part of the town's medieval street plan still exists, with many 'shutts' and 'passages' – a maze of narrow alleys, which criss-cross the town centre. Throughout the town there are numerous boutiques and quirky independent shops, restaurants and cafés, and a huge indoor market which won the title of 'Britain's Favourite Market' in 2018. Our Theatre Severn attracts some big acts from Comedians to Musicals. Shrewsbury is one of the few places in the UK where the Independent shops outnumber the big chains – one of the reasons it has earned the title of 'Healthiest High Street in the UK'. It also carries the distinction of being named twice by Rightmove among the top 10 happiest places to Live in the UK, and has purple flag status for town safety. Nearby, the Shropshire Hills and the historic towns of Ironbridge and Much Wenlock are within easy access.

Although slightly further afield, we are well positioned to enjoy the benefits of the mountains and coastline of North and Mid Wales. Shropshire offers a wide range of primary, junior and preparatory schools, both independent and state maintained. Many are small village schools set within a close knit community. The School is in easy walking distance to some of the main residential areas of the outskirts of the town – Radbrook, Copthorne, Bellevue and Porthill.
