

Chapel-en-le-Frith
High School

IT Support Engineer

In this key position, you will work with the Network Manager to ensure that an efficient and effective service and support is provided to students and staff who use the school's extensive IT systems.

We are looking to appoint an efficient, enthusiastic and well-organised person with a passion for problem solving. This is a varied role with no two days being the same, and provides many exciting opportunities for the successful candidate.

The ideal candidate will hold a qualification in IT, computer science or have recent industry certifications such as MCSE, CCNA and CompTIA+.

Ideally, you will also have experience of management of Microsoft networks and active directory as well as experience in management of switches, wireless APs, firewalls and the Microsoft 365 platform.

The school has a good record in supporting the professional development of staff; we will support the right candidate in working towards IT certification.

We are lucky to work in modern well-equipped accommodation, with superb facilities, situated on a beautiful site on the edge of the Peak District National Park. We are within easy commuting distance of Manchester, Sheffield, Chesterfield and East Cheshire.

Full details of the post can be found on the school website. Alternatively, please contact Diane Hibbert, Personnel Administrator, for an application pack.

Hours: 37 hours per week, 52 weeks per year

Salary: £28,129 - £30,038

Closing date: Friday 21st April 2023

Interview date: w/c Monday 8th May 2023

Job start: as soon as possible.

The school is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. This post is subject to an enhanced DBS clearance.
