EASTBOURNE COLLEGE

Software Developer

We are seeking a talented and dedicated Software Developer to join our team at Eastbourne College. As a Software Developer, you will play a crucial role in designing, developing, and maintaining software solutions that enhance our operations across the Charity. This role involves system integration, MIS support, report generation, and database administration.

If you are a skilled Software Developer looking to make a meaningful impact in the education sector, we encourage you to apply as soon as possible. Your contributions will help us further our mission and drive positive change.

This is a full-time permanent role with opportunities for hybrid and home working, so consideration will be given to candidates in remote locations.

Further details are available from the Human Resources Department tel: 01323 452239 or email: hr@eastbourne-college.co.uk

Closing Date: 9 October 2023
Initial interviews w/c 16 October 2023

Eastbourne College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
