

Join us for an exclusive seminar Back to School with Virtualisation

BOTTISHAM VILLAGE COLLEGE

Join us for a seminar on 12th May

During this informal seminar, we will highlight our reasons for adopting ICT virtualisation, the approach we took and the benefits we are now enjoying. At this seminar, we will be participating in an interactive panel session and you will have plenty of opportunities to ask questions to both us and our virtualisation partner, Intercept.

Please join us at Ely Community College IT Lab to hear more...

The agenda

- 15:30 Registration & Refreshments
- 15:45 Welcome and Introductions
- 16:00 Panel: Back to School with Virtualisation
- 16:45 Q&A and next steps

Regards,

Matt Sampson, David Knappett and Richard Mayer

The Location

Ely Community College, Downham Road, Ely, Cambridgeshire, CB6 2SH

"Adopting virtualisation enables us to enjoy long-term flexibility by making any future changes or improvements far easier to implement. We don't need to buy servers as often and spend far less time maintaining those we have."

David Knappett, ICT Manager
St Bede's Inter-Church School
