COLOR POP

Stylish stand design

Unlike other monitors, LG Color Pop has a picture frame like rear stand so it can be placed at the same height as your laptop when used as a dual monitor. Enjoy a new level of innovation with ergonomically designed W30S series.

Slim width

With a width of only 37mm, W30S realizes a 30 percent slimmer design that enables you to utilize space more efficiently. Now, experience a wider and a more pleasant work environment with W30S.
