Flexible Finance Solutions for:

State Education
Private Education
Universities
Adult Education Centres

Take a fresh look at the finance plans Computer Products Ltd can offer. Working in partnership with CHG-MERIDIAN Capital Limited, we enable education establishments to benefit from competitive flat rate rental plans. If you are operating in the State sector we can arrange finance that is fully compliant under Local Authority guidelines.

Finance Plans to suit you:

Our **'365 Finance Rental Plans'** smooth the cash flow across the full accounting year.

Our **'Residual Value Rental Plans'** can be amongst the **lowest priced in the market**. These are suitable to finance certain types of assets, typically required in the education sector.

Call us to see if your requirements can be accommodated in an RV plan that is compliant under public funding rules.

Enhance your budget now - invest to be the best

Our specialist division in the Education sector enable us to work closely with you and understand the needs and requirements of your organisation. With preferential rates available to our Education customers we can provide a more cost effective solution for you.

There probably has never been a better time to take a fresh look at Computer Products Ltd.
